

CHARLIE'S PERSONALITY

The Perks of Being a Wallflower

ADRIANA HLADOVÁ
2.B

Who is Charlie ?

- Charlie is the main character in The Perks of Being a Wallflower, a book and film by Stephen Chbosky.
- He is a 15-year-old high school freshman who feels nervous and lonely at the start of the school year.
- He writes letters to an anonymous friend to help him process his thoughts and emotions.
- He struggles with mental health issues and past trauma, but he is also full of hope and love.
- Over time, he meets new friends who help him feel accepted and understood.
- Charlie's story is about growing up, healing, and finding your place in the world.

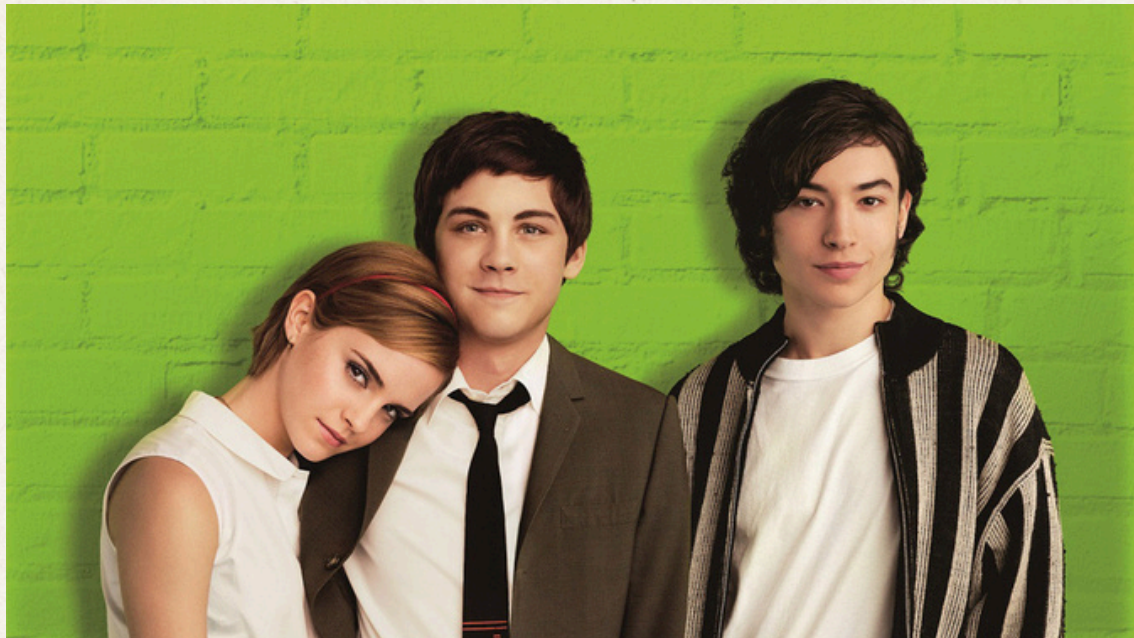

Positive traits

| | |
|-------------|---|
| Forgiving | Doesn't hold grudges for long. |
| Curious | He asks questions and wants to learn. |

| Naive | He sometimes trust people really easily. |
| Unassertive | He finds it hard to say what he wants. |

What Makes Charlie Special?

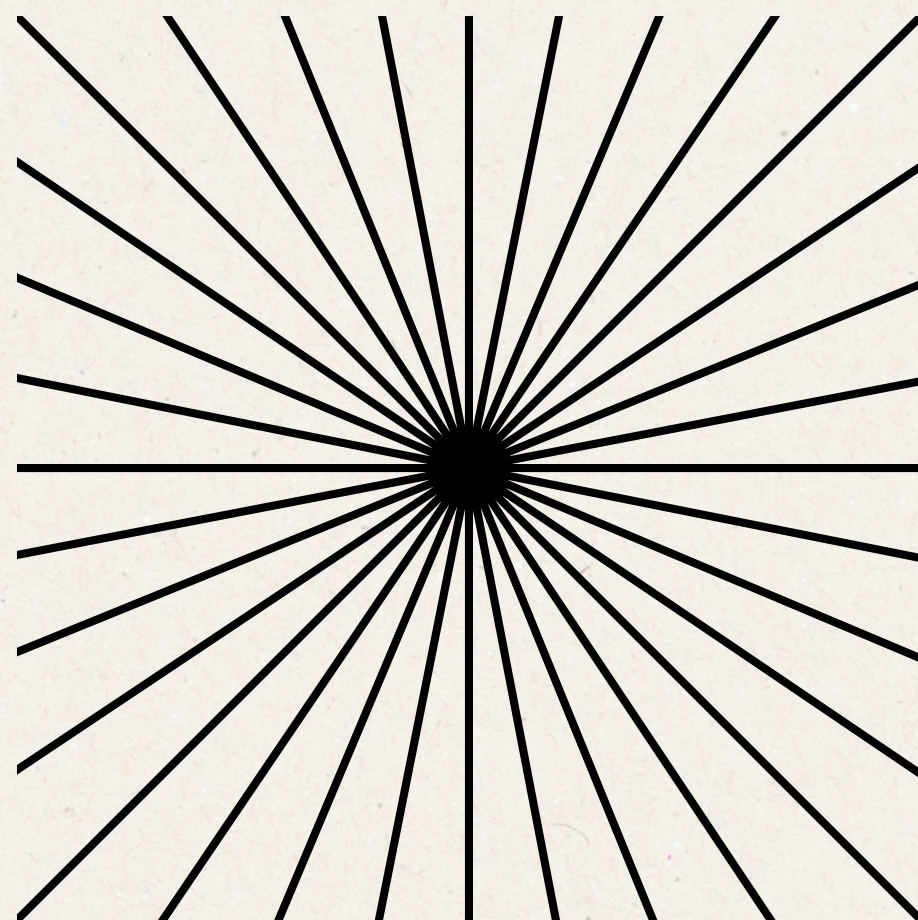

- Charlie is not perfect, but he is real and relatable.
- Being sensitive is not a flaw, but a gift.
- He is quiet and observant, often watching others rather than speaking.
- Charlie is a complex and emotional character, his ability to feel deeply is both his weakness and strength.
- Readers and viewers see Charlie as sweet and honest.
- Many young people see themselves in him.

Charlie's Intelligence

- Deep thinker – he asks big questions about life, love, and pain.
- He reads many books and enjoys English class.
- Advanced thinking skills.
- High emotional intelligence – he notices how others feel, even if they don't say it.
- Even though he is shy, he understands relationships and emotions better than most teenagers.
