My costume

Riddle

- I was once telling Holmes a story about a visit from an American acquaintance of mine, when he unexpectedly attacked me with the question:
- "Watson," he asked, **"do you think it is legal in America for a man to marry his widow's sister?"**
- **" Legal? I suppose so,"** I replied, **"but morally wrong, don't you think?"**
- Holmes felt a twitch at the corners. " Morally wrong, you say? Oh, Watson, you amused me."
- **Why did Holmes find my answer funny?**
